

Amendment Under 37 C.F.R. § 1.116
Expedited Procedure - Art Unit 1733

REMARKS

This Amendment is presented in response to the Office Action of July 13, 2006. An INTERVIEW SUMMARY is filed concurrently.

Reconsideration is respectfully solicited. This amendment is presented pursuant to a telephone call to the Examiner to determine whether

Claims 33 and 46 were indicated as allowable. Specifically, in the Advisory Action, the U.S. PTO indicated that the claims 33 and 46 presented in the October 2006 AMENDMENT AFTER FINAL were allowable; those claims are presented again herein except that an extraneous parenthesis has been deleted from Claim 33 [fifth line from the end. Page 6 of the October 2006 AMENDMENT]. Independent claims 25 and 37 are canceled, as are claims 36 and 50. Dependent claims which previously depended from claims 25 and 37 are made dependent on Claims 33 and 46. Specifically claims 30-32, 34, 35, and 38 are now dependent on Claim 33. Claims 39-45 and 47-49 are now dependent on Claim 46. The language in Claim 47 has been changed to conform to the language of Claim 33 as allowed.

An early allowance is respectfully solicited.

Respectfully submitted,
